

# Stargazing For Everyone, LLC

Public Programs with Tony & Carole La Conte  
[www.stargazingforeveryone.com](http://www.stargazingforeveryone.com) ( 623 ) 979 - 1393

Take A Guided Tour Of The Night Sky and Explore The Universe Through Our Telescopes

Enjoy a night under the stars. Learn star names, see the constellations, and listen to stories of the night sky. View the moon, planets, star clusters, nebula, galaxies and more through our telescopes. We encourage you to bring your digital camera and binoculars to enjoy the views from these great locations. The stargazing programs are outdoor events, dress appropriately and bring chairs or blankets for your seating comfort.

**NOTE: All Stargazing Programs are on SATURDAYS and start at 7:30 PM – Unless otherwise noted  
 Dates & Times subject to change – ALL programs should be confirmed by calling the appropriate location**

**We bring our equipment to your event;** to your school; your home; your community; a city, county or state park; a special camp; a resort; any location in Arizona. All presentations are aligned to the Arizona and national science standards.

## Night Sky Adventures

View the Night Sky through telescopes and binoculars. Learn how to find and identify bright stars and constellations, the legends behind them and other interesting sky facts. View the moon, the planets and deep space objects like star clusters, nebulae and galaxies. Photograph the moon and planets through our telescopes.

## Planetariums That Come to You!

We bring our giant and standard dome planetariums to your location. Inside the dome you are transported into a night sky environment for studying the constellations, the moon, the planets, the seasons, multicultural folklore/mythology and much more.
